

CALL FOR APPLICATIONS FOR THE MENTORSHIP PROGRAMME 2023

1. INTRODUCTION

The Centre for Health, Human Rights and Development seeks to support a group of young females affiliated to organisations in the areas of Advocacy, Gender and Climate Change, Public speaking and Sexual and Reproductive Health and Rights as part of its mentorship program. This mentorship program intends to make it easier for young female leaders to tap into the wealth of knowledge of those with more experience in the above areas and gain skill.

This mentorship programme is part of CEHURD's project entitled "For an Intergenerational and Creative Ugandan Feminist Movement" that aims to support Ugandan feminist organizations in implementing concrete actions as a follow-up to the Generation Equality Forum (GEF) as well as strengthening intergenerational links between these organizations in the areas of coalition development capacity building and peer learning.

The proposed mentorship programme will last for a period of four (4) months effective August and ending November 2023.

CEHURD therefore seeks applications from suitably qualified young and ambitious young female leaders who would wish to benefit from this program to apply for the same.
